

**WORKSHOP FOR THE CPE PROGRAMME
AND
INDUCTION OF THE BPP AND BDP LEARNERS OF THE
TAMENGLONG HR. SECONDARY SCHOOL S.C., TAMENGLONG
HELD ON THE 19TH OCTOBER 2009**

After almost three years since the Tamenglong Higher Secondary School PSC organized a week-long CPE Workshop, another batch of CPE along with BPP and BDP learners the Tamenglong Study Centre has organized the Induction function for the July 2009 session on the 19th October 2009. The CPE workshop for the 51 teacher trainees was started simultaneously in a single function in a spacious room which accommodated more than three hundred IGNOU learners.

Shri Dijuanreiyang, the Coordinator, delivering his welcome address

The Coordinator of the SC 1711, Shri Dijuanreiyang formally welcomed the invitees and the new BPP and BDP learners to the Induction function while the CPE teacher trainees to the Workshop programme. In the course of his speech he mentioned the concerted efforts made by various local bodies including the students' organizations towards upgrading the IGNOU PSC into a Regular Study Centre which we see today. He expressed his thankfulness to the Regional Director Imphal RC for his unstinted supports.

Shri N. Jacob, the ZEO Tamenglong advised the CPE teacher trainees to apply the knowledge gained during the Workshop to promote quality education among the children of the district.

The Regional Director instructed all the learners of Certificate programmes assembled in the hall to submit their assignments in time so that the marks may be duly transmitted to the Headquarters before the December TEE 2009. This is the requirement of the University which should be strictly adhered to just to help in the timely declaration of examination result.

A 60 year old CPE learner who still desires to undergo further studies in IGNOU.

The Zonal Education Officer, Shri N. Jacob, in his presidential address advised the teachers to avail of any training wherever possible and whenever any such a chance comes. It will sharpen their skills and knowledge in the field in the same way as the sickles become sharper and sharper as they are repeatedly used. Every one was much impressed by the huge number of IGNOU learners who willingly participated the function. The induction function which was started at 11.00 a.m. ended at 12.15p.m. although the CPE workshop continued upto 5p.m.
